

Winter 2025 offers several opportunities to learn how to create bead mosaics. See below for specific dates, locations and learning levels for the various workshops offered.

These No Sew workshops will be your opportunity to learn and ask questions about my bead mosaic techniques. These exclusive workshops have limited seats with skill levels ranging from beginner to advanced. Check skill level requirements before registering.

February 4 & 6 2025, Location: Bead and Gem Show, Casino Del Sol, Tucson, AZ – Feb 4, **Beginner Bead Mosaics**, Feb 6 **Beginner Trees**. Both classes are 3 hour sessions geared toward beginners, no experience necessary. Student will complete one project in each workshop. Reservations, costs, schedule and details are available at www.colorsofthestone.com/workshop

March 14-15 2025 Location: My studio in Minden, NV – **NEW WORKSHOP Advanced Animals**, learn how to create realistic birds and animals using beads. Must have completed 5x7 Cardinal kit or a previous bird workshop. Students will complete one project. **Cost \$500**, Schedule: Fri 9-6pm Prep & Sip, we will work for a bit and have fun for a while. Sat 9am-4pm, We dive into the secrets of creating animals using beads, lunch will be provided. Max 8 people. Must have local accommodations. Reservations and details on www.Beadmosaic.com.

March 22-23 2025 Location: Museum of Beadwork, Portland, Maine - **Beginner Bead Mosaics + Trees and Intermediate Birds**. Take all three classes. Student will complete one project in each workshop. Reservations, costs, schedule and details are available at www.museumofbeadwork.org

April 2 & 5 2025, Location: Glass Craft and Bead Expo, Southpoint Casino, Las Vegas, NV. April 2 **Beginner bead mosaics** 8:30-12, **Beginner Trees** 12:30-4pm, April 5 **Intermediate Birds** 8-12pm, a more advanced class but a good follow-up after the other two. Students complete one project in each workshop. Reservations, costs, schedule and details available at www.glasscraftexpo.com

No workshops will be offered in the spring and summer of 2025. Please check the appropriate website to get the specific information about the workshop you are interested in.
